Stay-In-Place Orders | Update 03-23-20

Because of the speed things are happening, we are sending this message to all @autowares.com e-mail addresses and posting to autowaresgroup.com and autowares.com to bring you up to speed of where we are at during this moment. We have base plans in place that are in use in Chicago, Illinois and Ohio and have more details to Managers as day goes on.

- Michigan has announced Stay-In-Place orders to begin at Midnight tonight effective 12:01am 03-24-20
 - We will have messages out to managers and customer throughout the day at autowaresgroup.com, autowares.com, e-mails, etc.
 - We will have manager calls to discuss details and concerns through remainder of day.
- Vehicle Parts, Vehicle repair have been deemed essential in each state government order so far.
 - We have worked with Managers and Leadership of affected locations on individual local plans.
- At this moment Illinois & Ohio are under a Stay In Place (SIP) order that started Saturday and this is current status.
 - DC's are operating under reduced hours and staffing was available to ship last night while under the order.
 - Stores are operating under locally determined hours and services using safety protocols that have been put in place to date.
 - Distribution Center and Store Communications for current situations have been posted on autowaresgroup.com, autowares.com, e-mails, etc.
 - Local store and warehouse letters sent
 - Employee documents for "proof of essential business" have been distributed

More information as it develops will be communicated at autowaresgroup.com, autowares.com and e-mails contact list.
